I wish to thank everyone who has sent me info on my Dyer family, which is my Mothers family.

I started this back in 1969 and all my grand parents were gone but still had many other members of their family I could call on to get info. Otherwise I worked at the court house, library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, IN library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop.

This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research.

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

One letter survived that he wrote to his mother 16 Jun 1864 Thursday. I have a copy of the original and also a copy was sent to the Kahoka Gazette-Herald newspaper and was printed on 2 Sep 1876. He was on duty at the time he wrote and said he was sorry she was disappointed she didn't get to see him when he was in Louisville. He started from Nashville abt 5 o'clock and got there abt 8 the next morning. Continued on 17 Jun, as was called to picket. He got to the Regt the 10th and been in line of battle every nite. Tells about some battles, some killed and such. Don't know when I will fall or not, the good lord has protected me this far and have faith he will in the future. I feel that if it is my lot to fall on the field of battle that is as well with me in the future so if this be my last letter to you I die in hope of meeting you in the better world above. Iowa and Indiana both produce popcorn and "Old Capital" is a familiar trademark in both states, although the Indiana firm uses a different spelling.

Popcorn From Where?

By Gerry Tauchner
Iowa City Correspondent

IOWA CITY — Somehow it seems natural to munch on popcorn at University of Iowa football games, especially when the state is considered America's leading producer of corn for popping.

But also, it's not Iowa-grown popcorn that is being shelled out 40 cents for at Hawkeye games. It is imported from Indiana.

Even though the 40-pound sacks of popping corn that arrive at Nile Kirkick Stadium are branded "Old Capital," that cone of popcorn has its roots in the Hoosier countryside around the Harrison County Popcorn Co., Corydon, Ind.

"Indiana popcorn." At an Iowa game? You gotta be kidding," one ardent Hawkeye fan once said when shown what he was buying. Yet he bought it anyway.

"Maybe that's why the Hawks keep losing," another purchaser said when told of his popcorn's origin. "Maybe they should switch."

Selling Iowa-grown popcorn at U of I games currently is impossible, said Joe Maher, who manages Kirkick Stadium operations. For better food service, refreshment concessionaire.

Under a multimillion-dollar plan for stadium concessions, which will only be sold at the Indiana firm, for popcorn to be sold at its stadium concessions. Maher said — and that Iowa popcorn hasn't tried to sell under popcorn at Kirkick Stadium.

They have tried to sell to U of I fans, but have gotten no takers. Maher said Don Leger, pres-

ident of Vinton Popcorn, a major Iowa processor in Vinton.

By the way, the "Old Capital" brand on the Indiana popcorn has nothing to do with the U of I's well-known symbol, the Old Capital on the University's Pentacrest. Rather, the brand name commemorates the courthouse in Corydon, Indiana's first state capital from its admission into the Union in 1816 to 1825. And the misspelling of the word "capital" was done by the popcorn firm, which also misspelled the same word in a label reference to the former state capital.

Selling Iowa-grown popcorn at U of I games currently is impossible, said Joe Maher, who manages Kinnick Stadium operations for Ogden Food Service, refreshment concessionaire.

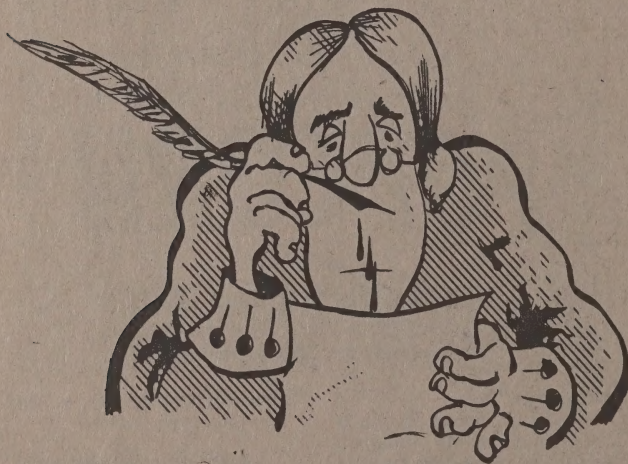

Ogden, a multinational conglomerate corporation, contracts with only one source, the Indiana firm, for popcorn to be sold at its 150 stadium concessions nationwide — not that Iowa popcorn firms haven't tried to sell native popcorn at Kinnick Stadium.

"I have tried to sell to Ogden for years, but have gotten nowhere," lamented Don Jager, pres-

Platform Turns You On?

calls only for subscribing "to the proposition of implementing" resource recovery.

The Democrats tied resource recovery with generation of electricity as a step in the party's long-standing proposal for the city to acquire ownership of the privately-owned water, gas and electricity systems.

That plank was approved by a majority of the convention delegates after considerable debate. Opponents insisted the city does not have the financial capability to

rank — "We have agreed to agree — or not to disagree too much."

The only change suggested from the GOP convention floor was to include the fire chief, along with the police chief, in a plank calling for removal of those appointments from the political arena. The motion was made by Lester Schick, former Davenport fire chief who is now a member of the Scott County Board of Supervisors.

The police chief issue is not a part of the Democrats platform, although George has pledged if

are not to his liking.

For instance, he has publicly stated his support for construction of a freeway-expressway system in preference to one-way couplets. He was overridden on that issue by the convention delegates who adopted a transportation plank emphasizing "imaginative mass transit" and other means of reducing "car dependency" in preference to both freeways and one-ways.

REPUBLICANS, following the lead of Duax, came out flatly in support of the one-way couplet system already endorsed by the city council which has a 6-4 Republican majority.

The two parties adopted quite similar positions on housing for elderly and low-income families.

Republicans said the "first phase" of meeting housing needs should be completed with federal funds, and private developers should be encouraged to participate in future projects.

Democrats, in their formal platform, said only that the city should work for additional projects "beyond those contemplated" by current allocations of federal assistance.

However, a supplement to the platform proposed that additional low cost housing should be built "with or without federal funds."

EXPLANATION OF ORDER FOR PHOTOCOPIES

Use this form to order photocopies of records of veterans who served in the United States or Confederate armed forces. These records include:

PENSION APPLICATION FILES based on United States (not State) service before World War I.

NOTE: Pensions based on military service for the Confederate States of America were authorized by some Southern States but not by the Federal Government until 1959. Inquiries about State pensions should be addressed to the State archives or equivalent agency at the capital of the veteran's State of residence after the war.

BOUNTY-LAND WARRANT APPLICATION FILES based on United States (not State) service before 1856.

NOTE: Pension or bounty-land warrant application files usually include an official statement of the veteran's military or naval service, as well as information of a personal or genealogical nature. If we find such a file, we send copies of the documents we feel will be most useful to you.

MILITARY SERVICE RECORDS based on service in the United States Army (officers who served before June 30, 1917, enlisted men before October 31, 1912), Navy (officers and enlisted men who served before 1886), Marine Corps (officers and enlisted men who served before 1896), and Confederate armed forces (1861-65). (We cannot provide photocopies of files for veterans whose service terminated less than 75 years ago, however we are usually able to provide certain information from the files.)

NOTE: Military service records rarely contain family information. The record of a man's service in any one organization is entirely separate from the record of his service in any other organization. We are ordinarily unable to accurately establish the identity of men of the same name who served in different organizations. If you know that a man served in more than one organization and you desire copies of his military service record, submit a separate form for the service record in each organization.

DO NOT USE THIS FORM TO REQUEST PHOTOCOPIES OF RECORDS RELATING TO SERVICE IN WORLD WARS I OR II OR SUBSEQUENT SERVICE. WRITE TO: NATIONAL PERSONNEL RECORDS CENTER, GSA, (MILITARY PERSONNEL RECORDS), 9700 PAGE BOULEVARD, ST. LOUIS, MO 63132.

More information about armed service records may be found in our free Genealogical Information Kit.

Send the completed form to the address on the front of the form. When you send more than one form at a time, each order will be handled separately; you may not receive all your replies at the same time.

"CALLED HOME"

Sarah Elizabeth, daughter of Henry and Mary A. Huin was born April 9, 1826, departed this life at her home in Crandall Ind., Nov. 9, 1913, aged 87 years 7 months. On Feb. 24, 1841 she was united in marriage to William Birchfield Dyer who passed away Jan. 27, 1863.

Two children were born to this union, both having preceded her in death, Mary Anderson dying Aug. 26, 1902, Ambrosia Thomas Nov. 15, 1905, Martha and Sarah in infancy.

Those who are left to mourn the departure of a kind and loving mother are as follows: Mrs. Jane Crandall, of Martinsville, Ill., Chas. Dyer of Waco, Mo., George Dyer of Denver, Colo., Mrs. Avest Berg, of Georgetown, Ind., Mrs. Florence Miller, and Wm. H. Dyer of Crandall Ind.

Two brothers also survive, George Huin of Indiana and Henry of Chenais, Wash.

Since the death of her daughter, Alrasa she had lived alone, yet not alone, for as she had expressed, Jesus was with her. His ear was ever open to her cries.

So far as friends or loved ones were concerned, she died alone, yet there was one who had said, I will never leave thee nor forsake thee, who was able to pilot her home.

In early life she united with the M. E. church and remained a member until death. Kind and loving in disposition she made many friends.

Funeral services were conducted at her home church in Crandall by her pastor, Rev. Arthur Jean. Interment in Zion cemetery.

She was married to [illegible] [illegible]
 [illegible] Oct. 28, 1863. Ten children were
 born to this union, three dying in in-
 fancy.

Soon after their marriage they
 came to Clark county, Ill., and settled
 on a farm where she spent the re-
 mainder of her life with the exception
 of a few months that she stayed with
 her children since the death of her
 companion, Sept. 12, 1921.

She was stricken with paralysis
 July 30, 1922, from which she never
 recovered and passed away at her
 home Sept. 21, 1923.

Those left to mourn their loss are
 seven children—Ira, of Fair Oaks,
 Calif.; Lawrence, of Standard, Calif.;
 Otis, of Yale, Ill.; Cain, of Moonshine,
 Mrs. Fannie Neibarger, Mrs. Avesta
 Lingafelter and Mrs. Ada Crutch
 Field, of Moonshine, Ill.; also 27

Feb. 1, 1883, she was converted and
 united with the M. E. church at Wes-
 ley Chapel, afterward moving her
 membership to the Zoar church of
 which she remained a faithful mem-
 ber until death.

So long as health permitted she
 was a regular attendant of the Sun-
 day school, also the other services of
 the church.

Her home was always open to the
 ministers of the Gospel.

She has gone to her reward, being
 81 years, 8 months and 11 days of age.
 Funeral services were held Sunday
 afternoon at the Butternutt church,
 Rev. D. L. Lingafelter officiating, as-
 sisted by Rev. Illk. The text used
 was "She has done what she could."
 Interment in cemetery nearby.

HUSBAND - Sylvester CRANDALL-66

Obit of Sylvester Crandall:

Sylvester Crandall, son of Ira and Mary Crandall was born in Harrison County, Indiana, December 21, 1840 and on Monday morning September 12, 1921 at 8:00 o'clock the angel of the Lord came and called him to his home on high.

He was the last of a family of 11 children, having lived with us here on earth 80 years, 8 months and 22 days.

He was united in marriage to Elizabeth Jane Dyer October 22, 1863. To this union 10 children were born, three dying in infancy. He leaves to mourn their loss a loving companion, four sons and three daughters: Ira of Fair Oak, Calif, Lawrence of Standard City, Calif., Ottis of Yale, Ill., Cam of Moonshine, Mrs Fannie Neibarger, Mrs Avesta Lingafelter of Moonshine and Mrs Ada Crutchfield, who lives at home; also 25 grandchildren, 10 great grandchildren and a host of other relatives and friends.

He was converted Feb 1, 1883 and later united with the M.E. Church at Wesley Chapel, afterwards moving his membership to the Zoar church on his own farm where he lived faithful until death. He was a great supporter to the church financially, as well as spiritually.

He enlisted in the Civil War and served as a soldier for his country and at the close of the war moved to Clark county where he lived until his death.

Funeral services were held at Butternut church conducted by Rev. D.I. Lingafelter after which the remains were laid to rest in cemetery near by.

Pall Bearers were: George Soward, Ransom Deverick, Frank Dehl, George Sharp, Lawrence Chapman and George Tyhurst.

Sylvester Crandall was located in these census records: 1850 Harrison Co. IN, Sylvester age 10 VA with parents; 1860 Harrison Co. IN Sylvester age 19 IN

with parents; 1870, 1880 and 1900 prob. Clark Co. IL, but not checked to date.

Sources for Sylvester Crandall: BIRTH: Info from family descendants and date on cemetery stone. Have picture of the stone. Family said he was born in Harrison Co. IN but other records say they came from VA to IN after 1847 but before 1850. But believe that was wrong as Ira, the father, married in Harrison Co. IN 1827. MARR: Mg licence was recorded in Harrison Co. IN dated 22 Nov 1863. DEATH: Family info and obit from Clark Co. IL paper. He was 81 yrs 8 months 22 days of age. Services held at the Butternut Church with burial there. CIVIL WAR: Sylvester was in the Civil War and have DAR records from Washington DC. In Corp Co. E 38 IN Vol inf. He was living in IN at the time and after the war moved to IL.

Florence Adkisson sent some copies of picutres of Sylvester and Elizabeth Jane and their family and also of the home place and Sylvester in a Civil War uniform, which I have included.

Florence Crandall Adkisson prepared this article Sept 1992 on her grandparents and so I have included it her just as she wrote it.

Sylvester Crandall was born December 21, 1840, in Harrison County, Indiana and died in Clark County, Illinois, September 12, 1921. He married Elizabeth Jane Dyer, Nov. 19, 1863. She was born January 10, 1842, also in Harrison County, Indiana, and died in Clark County, Illinois, September 21, 1923. Both she and Sylvester are buried in Butternut Cemetery near their home beside the graves of infant son, Alva; 2 years old, Cora; and twin daughter, 3 year old, Ida Bell.

Sylvester grew up near Crandall, Indiana. He enlisted in the Civil War serving Co. E. 38th Indiana Volunteer Infantry. When he returned home from the service, he and Jane Dyer were married and moved to Clark County, Illinois, to a 160 acre farm they had purchased from his father, Ira Crandall. This area was known as the Moonshine Prairie, and they lived there the remainder of their lives.

Their first home was a log house, but as their family grew, they built a tall two story structure that seemed like two separate houses. The east half had two large rooms downstairs and a stairway leading up to two large bedrooms. The west half of the house had a large kitchen and dining area, a large pantry, a small bedroom, and another staircase which led up to the second story which was always called the boys'room. The home was near the Moonshine General Store which is still operating today. In those early times mail was delivered to the store once a week, and everyone for miles around came there to get their mail. Later a Moonshine Telephone Office was operated from there.

As the seven living children grew up, two boys (Ira and Lawrence) went to Chico, California, to work in the timber business. They lived and died there. Otis became a minister and farmed in Jasper County near Hunt City. Later he moved to the Sikeston, Missouri, area. Fannie Neibarger and Avesta Lingafelter lived on farms near by. Ada Dell, the youngest daughter and the surviving twin, married Robert Crutchfield and moved to Oklahoma. The youngest son, Cam, (my father) bought a farm adjoining that of his parents.

Sylvester was a good carpenter. He and some neighbors built the Zoar Methodist Church in the Southwest corner of his farm. There he and Jane served the Lord

faithfully all their married life. Today there is no trace of the church, but I have a pulpit chair from the church which was dismantled in the 1970's. Grandma and Grandpa Crandall were not demonstrative people but somehow we know that they loved all of their twenty-five grandchildren. We knew that they lived by the moral standards established among friends and neighbors in that Zoar Methodist church. Anyone who wanted to come along with the minister was always welcome at the Crandall's dinner table on Sunday.

Sylvester and Jane were wonderful gardeners. Flowers and vegetables of many varieties were grown in beds with paths between them. There was a rose garden, a rhubarb patch, grape arbor, gooseberry and currant bushes. Nearby was a cherry orchard which also had plum, peach, pear, and even apricot trees. Apple trees grew on a 20 acre hill tract furnishing apples and cider for all the neighborhood.

I remember the brick cellar which had two steps going down into it. On the north side was a shallow, long, narrow, tin trough. A pipe ran from the well to the trough where cold water was pumped into it by hand every morning in the summer months. Here the butter, milk, cream, and other perishables were kept cool and sweet. The shelves in the cellar were filled with glass cans of beautiful fruits and vegetables most of which were sealed by a tin lid around which hot sealing wax had been poured. The cellar was cool in summer and kept apples, potatoes, carrots, cabbages, and turnips from freezing in the winter.

Nearby was a "smoke house" where meat was kept, the wood shed and a buggy shed. To reach the barn and stables one had to cross a small ravine on a "foot log".

Sylvester developed a lung problem in his early seventies. He no longer worked in the fields, but kept busy with the lawn and garden. When winter came he boarded a train in Martinsville, ten miles from his home, and went to Orlando, Florida, to spend the winter months. Jane refused to leave her home, and a widowed sister, Florence Miller, from Georgetown, Indiana, came to stay with her. The women were busy all winter piecing quilts, tacking comforters, making rag rugs, mending, darning, and embroidering "crazy quilts."

Grandpa always sent us a crate of Florida oranges for Christmas. We wrapped them in tissue paper and kept them in a cool bedroom. We took them in our school lunches, and when we grew tired of eating them, we traded them to the other children for some of their "goodies" from their dinner pails.

I remember my grandpa sitting in a cane bottom chair on the recessed porch on the west house when he wasn't working in the yard or garden. He died at his home September 12, 1921. His grandson, Fred Crandall, remembers being called to come and sit at the bedside of his grandfather. Sylvester held his hand and told him to grow up to be a good boy. Sylvester then drifted off to sleep. Fred being only eight years old left the room and later was told that his grandfather was dead.

Grandma continued to live along in her home until the spring of 1923 when she suffered a light stroke and went to "live around" with her children. While staying at our house, she had improved enough to go to the garden to pick some green beans on a hot July afternoon. I was inside practicing my music lesson on our pump organ. When I paused in my playing, I heard a strange moaning sound and rushed outside to find Grandma lying on the ground in the bean patch.

HUSBAND - Sylvester CRANDALL-66 (Continued)

Being a strong thirteen year old, I remember gathering her up in my arms and carrying her into the house and putting her on her bed. Being alone with her, I rushed to the telephone to call my Aunt Avesta. She said she would come right away and for me to call Dr. Bartmess in Annapolis. She had to harness her horse to the buggy and drive three miles to our house. Meanwhile, the doctor who drove a Model T car got there first. He said Grandma had suffered a very bad stroke. He was amazed that I had been able to carry her into the house by myself. I was quite a heroine for a few days.

Grandma lived until September 21. Although she regained consciousness, she was paralyzed and had to be cared for by family members.

Today as I write this in September of 1992, there is a modern house on the site of my grandparents' home. Several stately maple trees stand in the front yard and remind me that once my father played under them as a child as I also did. I cherish the memories of the old homestead.

Farewell, friends! yet not farwell
Where I am, you too shall dwell.
I am gone before your face,
A moment's time, a little space
When you come where I have stepped,
You will wonder why you wept;
You will know, by wise love taught
That here is all and there is naught;
Weep a while, if you are fain,--
Sunshine still must follow rain;
Only not at death, -- for death,
Now I know, is that first breath
Which our souls draw when we enter
Life, which is of all life center.

HUSBAND - Ira CRANDALL-69

BIRTH: Family stated he was born Dec 1869 but if his age 87 yrs 9 mo 19 days was correct, his birth date would be calculated as being born 14 Nov 1868, Florence says this is the correct date.

MARR: 1st Mg recorded Clark Co. IL Bk ? pg 179 He had no children by any marriage.
Have copy of all three marriage licences. 2 Clark Co. & other CA.

Ira was getting ready to go hunting and getting his gun ready, it discharged and shot him in the right arm and he had to have it amputated just below the elbow. This happened in California. After he was widowed he made several trips back to Clark Co. IL driving his special equipt car by himself.

WIFE - Cora E. CHAPMAN-95

Cemetery stone states death date and age 22 yrs 3 mo 5 days, if that is correct, her birth date calculated would be 12 Nov 1873.

HUSBAND - Lawrence CRANDALL-70

Info from Florence Adkisson 1974 and then updated from Florence in 1992 and from Arla Bradley of CA in 1975. Their info differed a little. Florence said he was born 1871 and died 1935 and that turns out to be correct. Arla said he was born 1872 and died 1934, other dates the same. Florence said their family took up a collection and put up a gravestone for Lawrence and his brother Ira at the cemetery in CA. who were buried side by side.

Lawrence and his first wife Margaret were divorced.

Arla Bradley, 4024 -23 McHenry Ave., Modesto, CA 95350 Sep 1975. She was his step daughter, a daughter of his 2nd wife. She sent me info on her mother, Lawrence's 2nd wife and nothing on his first wife.. Also on daughter Mamie. Nothing on Arla's family. Lawrence worked as a lumberman in CA.

WIFE - Margaret "Maggie" LINKS-102

Sources for Margaret: Info from Florence Adkisson 1974. Also Arla Bradley of CA 1975. She was a step dau of Lawrence, and his 2nd wife, Emma Summers. Don't have any dates or other info on Margaret. She had one daughter.

Florence said they visited her in her home in Carlyle, IL many times after her divorce from Lawrence. She also visited Florence's family in Moonshine.

CHILD 1 - Mamie Grace CRANDALL-449

Sources for Mamie: Info from Mamie Meier Oct 1978. Although when first wrote to her my letter came back and then received info from Arla Bradley of CA 1975 that her name was not Cook but Meier and gave me her address as % Carlyle Health Care Center, Carlyle, IL 62231. Arla said Mamie was blind and couldn't write so one of her step daughters does the writing Mrs L.A. Taylor Box 125, Carlyle, IL 62231. Any way wrote her and received info on her family. She had been married twice and had 3 children by 1st mg and 1 by 2nd.

WIFE - Avesta CRANDALL-71

Obit of Avesta Crandall Lingafelter:

Mrs Avesta Lingafelter

Mrs Avesta Crandall Lingafelter, daughter of the late Sylvester and Elizabeth Jane Dyer Crandall was born September 16, 1872, in Clark Co. Illinois, the fifth of ten children, all of whom preceded her in death.

On June 2, 1895, she was united in marriage to Riley R. Lingafelter. He preceded her in death in 1954. To this marriage union three children were born: Roy, of near Casey, Lloyd, who preceded her in death in 1929, and Mrs Vertie Elliott of Martinsville. Mrs Lingafelter was a long time member of the Zoar Methodist Church until its closing, after which, she became a member of the United Methodist Church in Martinsville.

She passed away May 22, 1973, at the Casey Nursing Home in Casey, Illinois, at the age of 100 years, 8 months and 4 days. She leaves to mourn her passing, one son, one daughter, five grandchildren and ten great grandchildren. Two great grandchildren preceded her in death. She will also be missed by a number of nieces, nephews and a host of friends.

Farewell, friends! yet not farwell
Where I am, you too shall dwell.
I am gone before your face,
A moment's time, a little space
When you come where I have stepped,
You will wonder why you wept;
You will know, by wise love taught
That here is all and there is naught;
Weep a while, if you are fain,--
Sunshine still must follow rain;
Only not at death, -- for death,
Now I know, is that first breath
Which our souls draw when we enter
Life, which is of all life center.

(on the bottom of the obit, handwritten said from Diary of Daisy Ellington, Marshall, Ill Gen. Library.)

Notes

HUSBAND - Otis Irvin CRANDALL-73

Info from Florence Adkisson and then received info from Florence Adkisson and then received info from all his children. I met two of his children; Ersu Ives in Macomb, IL and Gerald and Daisy Crandall from Kirkwood, IL. Had corresponded with all of them. Otis was a farmer and a minister. Affiliated with the Presbyterian Church. They lived in Sikeston, MO

WIFE - Cora May HILL-99

Info from Florence Crandall Adkisson. Also from her children.

CHILD 1 - Beulah Dayle CRANDALL-530

Sources for Beulah: Had written to Beulah and received info from son Duyane Ragon Sep 1976 on the family. He had given me her birth date as 31 Oct 1900 and the obit list 30 Oct 1901. Another brother was born 27 Dec 1901 so believe that date was wrong. As had received info from the brother's son, unless he was born 1902 instead of 1. She was living at Rte 2 Toledo, IL 62468 at that time. I was sent a copy of the obit and also the funeral home card from Florence Adkisson. obit from the Reporter, Casey, IL Thursday Jul 16, 1987

Obit of Beulah: Beulah D. Ragon

Beulah D. Ragon, 85, of rural Toledo, died at 4:15 p.m. Tuesday, July 14, 1987 at Sarah Bush Lincoln Health Center.

Funeral Services will be at 1:30 p.m. Friday at the Trilla Cumberland Presbyterian Church. Burial will be in Hazel Dell Cemetery. Visitation is after 6 p.m. today, Thursday, at Barkley Funeral Home, Toledo, and one hour before the service at the church.

She was born Oct. 30, 1901 in Clark County, to O.I. and Cora May Hill Crandall. She was married April 10, 1921 to Lowal Ragon. He died in 1968.

She was a member of the Trilla Cumberland Presbyterian Church.

Surviving are one son, Duyane Ragon of Robinson; two daughters, Shirley McCormick of Stewardson, Dona Coy of Sullivan; brothers, Don Crandall of Deerborne, Mich., Paul Crandall of Roseville and Gerald Crandall of Kirkwood; sister Avis Mathews of Sikeston, MO, 10 grandchildren and 15 great grandchildren.

Two brothers and two sisters preceded her in death. Memorials may be made to the Trilla Cumberland Presbyterian Church.

CHILD 2 - Denver Lawrence CRANDALL-531

Sources for Denver: Info from son Denver. He stated his father's birth date as 27 Dec 1901 so if sister was born 31 Oct 1901, her date is wrong or maybe Denver was born 1902? Mother was living at Rte 1 Box 288 Manakin-Sabot, VA 23103. She had been married before to a Mr Cox. She and Denver had 2 children. He had also been in the Navy.

HUSBAND - Enus "Lowal" RAGON-539

Sources for Lowal: Info from son Duyane Ragon Sep 1976. Lowal was a farmer and contractor and was sheriff for 4 years. Duyane sent a story about his father being bitten by a rabid dog in 1921. I believe this story warrants a place here.

Mad Stone Saves The Life Of Lowal Ragon

During the summer of 1921, my father Lowal Ragon, (1901-1968) was bitten by a dog that was rabid. My father and mother, Beulah Crandall, had just been married that spring and were living with my mother's parents, the late Rev. and Mrs. Ott Crandall. My grandfather was a preacher and a farmer. He lived one mile north and 1/2 mile east of Hunt City, Jasper County, Illinois.

One summer day, my grandfather was putting up hay. My father and several other men were helping when a medium-sized dog came into the area and attacked my father and an 18 year old Chapman boy.

My grandfather had heard of Mr and Mrs George Haddock living in Bellair, Crawford County, having a Mad Stone used for the treatment of rabies. He sent my parents to the Haddocks for treatment of the rabies. They packed clothing to last for several days and made the trip by horse and buggy.

Mother said that when they arrived, Mrs Haddock placed the stone directly on the wound. The stone looked like a bar of Lava soap that was about 3/4 used. The stone stuck to the wound and slowly turned green. After a while, the stone fell off. It was then boiled in fresh cows' milk. When the stone was boiled, the green substance would come out of the stone and into the milk.

Mr Haddock had dug a deep post hole and after the stone was boiled he would pour the milk into the hole. The treatment was repeated until the stone would not adhere to the wound. Mother said that the treatment took several days and the stone stuck to the wound 12 or 13 times. My mother would watch over my father at night and Mrs Haddock looked after him during the day.

The Chapman boy was not treated and died about 30 days after the attack.

The cost of the treatment was \$15.00. Mrs Haddock said the stone was a growth from the stomach of a deer, but was not found in all deer.

The Haddock's have a granddaughter, Eva Price, living with her husband at 813 N.4th Street, Carmi, Illinois. When I contacted her she said that she remembered her grandparents talking about my father and that he was the last or next to the last to be treated.

I have related this incident as my mother remembered it. It was at the request of Mrs Inis Bussard who felt that such an interesting and important incident should not be lost to our Crawford County History.

My mother is living and resides at 4.4. #2, Toledo, Illinois, 12 miles south of Mattoon, Illinois on Illinois Route 121.

(This was sent to me by Florence Adkisson, Oblong, IL. She was in the library in Robinson and the librarian had mentioned a Dr Hughes of Annapolis who said his father had a mad stone. I mentioned that Dr. Hughes married my great Aunt for a second wife. Lowell Ragons daughter was working for Mrs Buzzard in the library and she had been a former student of mine and a good little friend and relative. She went home and told her daddy and this story came about. Johns brother (10 years older then John) remembers Mrs Haddock and her "cures".)

CHILD 2 - Florence Ella CRANDALL-699

Info from Florence Mar 1974 and she has continually kept me up to date on the Crandall family from there. My mother and I have visited in their home several times and have corresponded many years. The live at Rte 2 Oblong, IL. They celebrated their 50th wedding anniversary with a reception and family dinner in Marshall on April 6, 1985. I just noticed, they were married 3 days before I was born. They took a 10 day trip to 5 islands in Hawaii to celebrate.

Florence was a teacher in Robinson, IL for many years until she retired in 1974. John has farmed and they have lived on the same farm for many years in the Bellair area, since they were married.

They had traveled since her retirement. They went to Spokane, WA to the Worlds Fair on the Amtrack in Aug 1974 then went to Seattle, Vancouver and across to Canada on the Canadian national Railroad to Winnipeg to Grand Forks, ND on the Greyhound bus then took Amtrack back to Chicago and home.

Another trip was 8 days to Hawaii from Dec 7, 1974 to Dec 15, 1974. They toured 4 islands and then in 1984 they went back to Hawaii with her brother and his wife.

They went to New Orleans Jan 1975 and onto Florida on another trip, and since then they have done a lot of traveling as well. Have started to slow down the last few years.

They still farm some and are very active in the church at Bellair. They are very instrumental in keeping the Crandall reunion going every year as well. Since I have met them and went to a couple of their reunions they now call it the Crandall-Dyer Reunion and several from other family lines of Dyer's have come to the reunions. Florence has sent me most of the newspaper write-ups of their reunions, have missed a couple years. My mother and I had went to a couple of them and then we moved to Texas for 11 years but now am back and hopefully can go another year. I have been working on the Crandall family and would like to get their book together with all update info sometime after next year.

They celebrated their 60th wedding anniversary in 1995 and their 63rd in 1998 before John's death 22 June 1998.

They have had Dyer-Crandall family reunions for many years but this year (1998) they didn't as several weren't able to go and they have been having fewer every year as many of the older ones have been deceased and it is hard to get the younger ones to go to reunions. Florence always sent me a copy of the reunion from the newspaper so I could keep up with their families as well.

Florence will stay on the family farm as long as she is able.

1999- Florence still doing very well and keeping up with family. She lost her brother Fred this past year though.

After 1999 a few years she was moved to a care facility as was starting to lose her memory, not sure the date but was early in the 2000's.

Mar 2007 received a notice from her daughter that Florence had died 4 Mar 2007 and sent me copy of the obituary and from funeral home. Also sent along as sheet that had a pic of the old Crandall homestead in Moonshine where she was born and raised then along with that sent 3 recipes that were her favorite. One for Old fashioned Sugar cookies, one for Tea Time Tassies (which today are sm like cupcakes with pecan filling) and other frosting for Angel Food Cake that they used to bake from scratch but after box mixes came out they used that cake mix.

Notes

WIFE - Florence Ella CRANDALL-2842

Florence born Orange Twp, Clark Co. IL, near what is now known as Moonshine, as was then. She was daughter of Cam Dow Crandall and Nora Bennett. Crandall line connected to the Dyer family.

Cam Dow's mother was a sister to my great grandfather, where my great grandfather Charles Hillory Dyer came to Adair Co. Mo his sister went to Clark Co. Ill. all from Harrison Co. IN.

I met Florence 1974 thru DAR papers where she had worked on her family and I was looking for Dyers. They had a Crandall Reunion every year and after I met her they changed it to the Crandall-Dyer Reunion of which my mother and I had gone to for few years as did others from other lines of the Dyer family who got together shortly after 1974 and keep in touch today.

Florence told me they were married 6 Apr 1935 but the obituary says md 8 Apr 1935 in Ill. Which we always got a laugh because I was born 9 Apr 1935 in MO. Took years to find one another.

They celebrated their 60th anniversary in 1995. Here they listed their marriage date as 6 Apr 1935.

They farmed most all their married life in Bellair on the same farm and living there when John died in 1998 then few years after that Florence went to nursing home as her memory was starting to fail.

They traveled quite a bit after she retired from teaching while both were in good health. Even came to Iowa to visit us one year.

Most of her info was included in the Crandall Family book so don't have lot of it here.

Obit from Tues Mar 6, 2007, probably Robinson paper, not sure Casey has one but maybe Oblong does.

She died at the Long Term Care Unit of Crawford memorial Hospital, Robinson, IL. Buried in the Casey-Cumberland cem, where other family buried. Condolences can be sent to www.oblongfuneralhome.com so that would be in Oblong, IL. The funeral 10 am Friday at Pulliam Funeral Home, Oblong, IL. She was dau of Cam Dow Crandall and Nora Bennett and taught elementary schools in Clark and Crawford counties, retiring after 38 years in May 1974. Belonged to lot of societies and was member of DAR. She was one in her family to do lot of genealogy on her family which connected to the Dyer family of which I had done a lot of work on.

Obit said she was md 8 Apr 1935 but she had given me the date of 6 Apr 1935, which we always had a laugh over as I was born the 9th of Apr 1935.

She was survived by one daughter and son in law and 3 grandchildren and their spouses and 3 great grandsons. One sister and 2 nieces and 2 nephews. All of these listed in Crandall family. Should get it her but haven't as yet.

Florence's Favorite Recipes

Mother grew up near Moonshine, Illinois, in a 4 room house. She and her sister did lots of cooking and baking in their little kitchen. They had a four burner kerosene cook stove with a portable oven unit that sat on top of the burners.

She said it was a cool way to cook in the summer and they felt it was a luxury for the time. Mother always made her homemade, hand-beaten angel food cakes in that oven. She always put the cake in a cold oven and baked it at 325 degrees.

Candall Homestead, Moonshine

As time progressed Mother often commented how much she appreciated the convenience of the angel food cake mix and the electric oven. She continued to start the cake in a cold oven and bake on low heat. She often had a cake in her freezer, ready to ice on short notice. It was her offering to those she cared about in times of distress, as well as joy.

Old Fashioned Sugar Cookies

Although this is a simple sugar cookies Mother perfected the presentation until it was picturesque.

Preheat the oven to 350 degrees

In a mixer bowl, cream together:

- 1 cup butter
- 1 cup vegetable oil
- 1 cup white sugar
- 1 cup powdered sugar
- 1 1/2 vanilla

Add 2 eggs, one at a time and beat in.

Sift together 4 cups flour

- 1 teaspoon salt
- 1 teaspoon baking soda
- 1 teaspoon cream of tartar

Slowly add to the mixer bowl of ingredients.

Take a teaspoon at a time and form into a ball. Prepare a small bowl with white sugar and roll in the sugar. Then place on a slightly greased cookie sheet. Press each cookie down lightly with a glass tumbler dipped in sugar. Bake about 12 minutes. Do not bake too brown.

Makes 6 or 7 dozen

Angel Food Cake

Prepare angel food cake mix according to directions. Dedicate a pan to baking angel food cakes and don't ever grease or bake anything else in it. Pour mix into the pan and set in a cold oven. Turn the oven on to 325 degrees. Bake until the cake bounces back when touched lightly. Let cool on counter about 30 minutes.

Then turn the cake pan upside down, perhaps using a pop bottle in the center to support the weight of the cake and pan. It would be best to let set about 2 hours. Use a sharp long knife around the edge and around the center post. Gently remove the cake from the pan.

Mother and I found that the Crisco based Cake Decorators icing handled well, stayed firm in all weather, and was very white.

In a mixer bowl, combine:

- 4 and 1/2 cups powdered sugar or (16 ounce box)
- 4 Tablespoons of margarine
- 4 Tablespoons of Crisco
- 3 Tablespoons of milk
- 2 teaspoons almond extract

Mother could wield this icing on the cake like it was no effort. I find it a real wrestling experience each time. Mother was truly a natural cook and she approached it as an art.

Tea Time Tassies

In the 1960's Mother perfected the "tea time tassie." It requires a special pan and she made sure we each had a set of pans to make the recipe.

Preheat the oven to 350 degrees.

In a mixer bowl, combine:

- 3 oz. softened cream cheese
- 1 cup flour
- And 1/2 cup butter

Form into 24 small balls, setting each one in the muffin style cup.

Using your fingers press around the sides forming a tiny crust.

Chill while mixing the filling.

In another bowl, mix together:

- 1 egg
- 3/4 cup brown sugar
- 1 and 1/2 Tablespoons of butter
- 1/2 cup chopped pecans

Mix together and put 1 teaspoon of filling in each muffin cup.

Bake for about 25 minutes.

Let cool a few minutes and remove from pan.

WIFE - Ada Dell CRANDALL (twin)-75

Obituary of Ada: Ada Crutchfield 1884-1946

Ada Dell, twin daughter of Sylvester and Jane Dyer Crandall, was born December 2, 1884 in Johnson Township, Clark County, Illinois, and slipped away to heaven on February 26, 1946, at the age of 61 years, 2 months, 24 days. She was converted on January 19, 1909 at Willow Creek Church during a revival conducted by Rev. Chalky Bailiff, and in a few days united with the Zoar Methodist Church under the pastorate of Rev. C.W. Gant, remaining a member until death. On November 24, 1917 she was united in marriage to Robert Crutchfield of Shamrock, Oklahoma, in which city they resided several months, later moving to Wynona, Oklahoma, where their only child, Duane was born December 26, 1919. Later they came back to the old Crandall home and remained there until 1927, when they moved to Hoguetown where they were living when the husband passed away may 13, 1928. In 1934 she and her son again went back to the old home, remaining there until they moved to Martinsville in 1943.

"The lights are all out in mansions of clay,
The curtains are drawn, for the dweller's away,
She silently slipped O'er the threshold of night,
To make her abode in the City of Light."

of the First Baptist church for many years, was a former member of the Purcell school board, the Purcell Rotary Club and was associated with the old Chickasaw National Bank for a number of years. He had been retired for a number of years.-- A male quartet of Tommy Gutt, W.C. Smith, L.M. Lacy and Frank Berry sang two of his favorite hymns. Interment was in Hillside cemetery under the direction of the Conner Funeral Home. -- Survivors include his wife, Sadie K., of the home; a niece reared in their home, Mrs Arline Forehand, Amarillo, Texas; two brothers, Henry of Kahoka, MO, Cleveland Dyer of Detroit; and a number of nephews and neices."

Harve as he was called by his family members was born on a farm near Fairmount MO and then went to the Gem City Business College in Quincy, IL abt 1900. He worked at bank in Kansas City, MO before moving to Purcell, OK in 1907.

Arline said he worked at the Chickasaw National Bank, first as a teller then later as Cashier and then became Director of the bank.

He and his wife never had any children but they did raise his wives niece, whom I met at the old home place in Purcell, OK on a visit there in Oct 1978.

They bought the home at 429 W. Washington in 1914 and lived there until their deaths. He in 1961 and she in 1978. Unfortunately I had just located them just after she died in June. I visited with Arline Forehand, the niece they raised. She was living in their home at that time. She told me the house was built in 1912 by Charles Gibbs, who also built the court house in Purcell. The first home in Purcell to have plastered ceilings. The oldest tree in their front yard was pictured in Life magazine (year ?) It was the largest Elm tree--90 feet across, east and west. I have a picture of it taken Oct 1978. Also picture of their house.

Have a picture of their wedding and Arline said Sadie made her wedding dress. Also a picture of Sadie before she died. Didn't take picture of Arline at the time I visited her.

In 1961 Arline was living in Amarillo, TX. She was a daughter of sister to Sadie and after her mothers death she went to live with Sadie and Harve. 1978 obit of Sadie, she was living in Oklahoma City, OK.

I had written to Sadie in 1975 and she told me nothing. I got Harve's obit and found out something about his life from that. Then planned to go there in the fall of 1978 to visit Sadie and take pictures of cemetery stone. As it turned out she died just before that so when we got there we met Arline and she told me about them.

3 Feb 1954 Henry and Juda celebrated their 50th wedding anniversery in Kirksville, MO. They were living at S. Marion St. in Kirksville at that time. The house is now gone and is part of the College. The article from the paper stated they were married at the home of the Methodist minister, Matt Sexsmith at Kahoka, MO. They also recalled that on their wedding day it was cold and the snow was quite deep. They went in a sleigh to be married and after the ceremony they partook of a lunch that had been prepared for them. I have their wedding picture and also the one in the paper 50 yrs later. A family dinner was celebrated with all the Dyer children present and 2 of their 3 grand children were present.

6 Nov 1956 General Election held in Kirksville. Henry S. Dyer was running as Democrat candidate for Judge of the County Court in the First District. However he lost.

5 Feb 1957 His wife Juda Anderson Dyer died at the age of 78 in the hospital in Kirksville, MO. They were living at 1110 S. Marion St. at the time. Then Henry lived with his daughter Edna in Kirksville until 1960 when he got to much for her to take care of so they put him in the Walker nursing home in Kahoka, MO where he stayed until his death

Henry was Baptist and Juda was Methodist. They both attended church in Kirksville, MO but went to separate churches.

Henry and Juda first lived on a farm rented from his father near Wyaconda, Mo before they moved to Kirksville, MO. Their first farm was on what is now hiway 61 which later became a golf course then Hollister factory there. Before they could get to town to get insurance they had a fire and the house burned, lost all they had. They built two rooms and lived in them until the big house was rebuilt. After the main house was built they used the two rooms for a smoke house and storage for the washing machine and separater. Have a picture of the house after it was built.

Henry farmed several years then moved to town, first on Cottage Grove where they also farmed then lived on Franklin St then last was 1110 S. Marion St. While in town Henry did several odd jobs. Hauled coal in winter in summer mowed yards. Took care of church grounds as well.

They never owned a car and used horse and buggy to get around in eary years and when moved into town used taxi service, bus or walked quite a lot.

Notes	CHILD 10 - John "Cleveland" Dyer (Continued) He was born and grew up on a farm but didn't take to farming too well and farmed only a few years of his married life. He left Missouri shortly after he was married as he wanted to find a farm of his own. He had been renting land from his father as he owned quite a lot of land around Wyaconda. They went to San Diego, CA where he worked as a street car conductor for a while. They went first to Wyaconda about 1910 where their son Raymond was born. Then he moved to Dexter, MO where the rest of his children were born. They farmed until May 1927 and then they moved to Detroit, MI. Cleveland worked in a factory for a while then he bought a truck and sold coal in the winter and ice in the summer. 1937 he was divorced and moved to St Clair Shores, MI where he lived until his death. That was during the 2nd World War, so his children didn't see much of him at that time. His wife moved to Warren, MI in 1936 where her son Raymond was living and in 1937 her daughter, Mable and husband moved there to be near her. From 1936 until many years later his children hadn't seen Cleveland. During that time he divorced and remarried to a lady on his ice route. He later divorced her. She is buried by him in Forest Lawn cemetery. His children did get in touch with him a few years before he died. Have corresponded with all of Cleveland's children. Met Ida Kless in Florida while there on vacation and also her brother Raymond as he was living there as well, in May 1983. CENSUS RECORDS: 1900 don't know where he was in the census as have not located him. 1910 need to check Wyaconda, Clark Co. MO census for Cleveland and family. 1920 Soundex Index of MI checked and found him not listed, although he lived there many years. Need to check the actual census and would probably locate him. Had written some years ago when was doing research on this family to Denver, CO to ask about a marriage record and they said was none located. Not sure if asked for complete name or not but would have assumed would have. Also my mother and I were in Denver, CO in later years where I researched the marriage records for Denver, CO for any Dyers as was looking for others as well and never come across any. So was very glad when Sandra Knoells located the marriage record of her grandfather from Denver Co. June 2009.

I met Nellie and Parvin while visiting in Corydon believe about Jun 1975.
Have pictures of Nellie and Parvin and the bell and part of front of house.

The home they lived in was built by his great grandfather in 1861. Still in very good shape. Has had some remodeling in later years but very sound. Very comfortable. Nellie was a very good housekeeper and enjoyed her home.

They collected antiques as well. Parvin had a cane with a gold head on it made of ebony wood given to the Wagners for one of the girls climbing out the bedroom window and ringing the bell for someone to come as they were in trouble with some murderers. This was inscribed on the cane. They also still have the bell that she rang. They have collected antiques for many years and their home was filled with them. Every room has cubboards and shelves with everything imaginable on them. Nellie also had a piece of shuck ticking which Sarah E. Burn Dyer had made from her own flax, which she grew and weaved herself. Helen Miller Moser also has a piece of it. (Sarah great grandmother of Nellie)

In 1975 their youngest son Carl was still at home. Nellie had 6 children, 4 living to maturity.

Funeral**

William H. Dyer, one of the best known and most highly esteemed citizens of Harrison county, passed away at his home at Crandall last Thursday morning at the age of seventy-three years, nine months and twenty-six days.

Mr. Dyer spent the greater part of his life in Jackson township but had been a resident of Corydon a couple of years and during the time he and his estimable wife so endeared themselves to our citizens that general regret was expressed when they concluded to return to their former home at Crandall.

Mr. Dyer had for a number of years been a successful farmer and timber dealer and was at one time elected to the position of Trustee of Jackson township. The fact that the township was at the time strongly Democratic and that he was the candidate of the Republican party demonstrated his popularity with the people. He was also at one time the Republican nominee for County Clerk and although defeated at the election he received a vote that was complimentary of his standing as a citizen.

While living in Corydon Mr. Dyer sustained a stroke of paralysis and his death was due to neuritis resulting from the stroke. He had been confined to his home less than two weeks preceding his death but his condition had been a matter of deep concern to his family and friends since the time he was stricken.

The deceased was an active member of the Methodist church and was also affiliated with a number of fraternal

William H. Dyer, one of the best known and most highly esteemed citizens of Harrison county, passed away at his home at Crandall last Thursday morning at the age of seventy-three years, nine months and twenty-six days.

Mr. Dyer spent the greater part of his life in Jackson township but had been a resident of Corydon a couple of years and during the time he and his estimable wife so endeared themselves to our citizens that general regret was expressed when they concluded to return to their former home at Crandall.

Mr. Dyer had for a number of years been a successful farmer and timber dealer and was at one time elected to the position of Trustee of Jackson township. The fact that the township was at the time strongly Democratic and that he was the candidate of the Republican party demonstrated his popularity with the people. He was also at one time the Republican nominee for County Clerk and although defeated at the election he received a vote that was complimentary of his standing as a citizen.

While living in Corydon Mr. Dyer sustained a stroke of paralysis and his death was due to neuritis resulting from the stroke. He had been confined to his home less than two weeks preceding his death but his condition had been a matter of deep concern to his family and friends since the time he was stricken.

The deceased was an active member of the Methodist church and was also affiliated with a number of fraternal orders including the Masons and Odd Fellows.

The funeral services were conducted at the Methodist church at Crandall Friday afternoon by Rev. J. G. Moore, pastor of the Capitol Avenue Methodist Church at Indianapolis, assisted by Rev. E. C. Montgomery, of Georgetown. Rev. Moore was formerly pastor of the Methodist church at Corydon and he and the deceased had a strong attachment for each other. In his eulogy of Mr. Dyer, Rev. Moore stated that it was the understanding between them that he was to preach his funeral. A characteristic of Mr. Dyer stressed by Rev. Moore was that he was a very positive man, possessing strong convictions and resolutely standing by them. The music was by Mr. and Mrs. Frank Melton, Homer Wright and Mrs. Fred Lindsey with Mrs. G. D. Baker as accompanist. New Salisbury Lodge of Odd Fellows had a ritualistic service at the church and at the grave.

Interment was in Bethlehem Cemetery.

A large concourse was present at the funeral.

Obituary

William H. Dyer, son of William B. and Sarah Dyer, was born in Harrison county, Ind., May 7, 1853, and departed this life Feb. 3, 1927, at the age of 73 years, 9 months and 26 days. Mr. Dyer was united in marriage to Florence A. Pitt Dec. 22, 1880, and to this union three children were born, namely, Robert B., Oma S. Bruner and Walter, of Peoria, Ill. Besides his wife and children he is survived by one brother, George, of Florida, and one sister, Mrs. Florence Miller, near Lanesville, Ind. He is also survived by three grandchildren, William Bruner, Robert Dewese Dyer and Nona Dyer of Peoria, Ill. Bro. Dyer was a member of the Methodist Episcopal Church at Crandall. He was a faithful husband and father and also a highly respected citizen. Before his departure he expressed his readiness and willingness to go. There was no fear or dread of death.

There is no death! The stars go down
To rise upon some fairer shore,
And bright in heaven's jeweled crown,
They shine for evermore.

There is no death! An angel form
Walks o'er the earth with silent tread;
He bears our best loved things away,
And then we call them "dead."

He leaves our hearts all desolate,
He plucks our fairest, sweetest flowers;

Transplanted into bliss, they now
Adorn immortal powers.

Old Athens Hotel — used as Field Hospital in the Battle of Athens, August 5, 1861.

The old Benning or "Cannonball" House, in Athens, site of the northernmost battle of the Civil War, is protected by a metal shield erected by the Athens Park Association.

The hole made by the cannon, fired by the Confederates in the Battle of Athens in 1861, is still visible beside the door frame of the Joseph Benning house in Athens.

One of Missouri's newest, the 354-acre Battle of Athens State Park, is located in north Clark County, Missouri, on the banks of the winding Des Moines River.

John Muschany, 23, has been appointed as the first Park Superintendent and began his duties there March 23. Muschany has been superintendent of Bennett State Park, west of Lebanon, since March 1974. He graduated from State Fair Community College in Sedalia with a B.S. degree in drafting.

Battle of Athens

As history relates the story of the Battle of Athens, Colonel David Moore, more than any other man, was responsible for gaining northeast Missouri from the Secessionists and placing it in the hands of the fighting Union men.

On May 20, 1861, Col. Moore, then a merchant in Union, Clark County, received authority from General Nathaniel Lyon of St. Louis to recruit a company for the Federal service. Three of Moore's sons, however, entered the Confederate service. Moore recruited and trained his own men — they furnished their own horses, equipment and provisions — and nothing

was provided by the government.

Hard to support his men on the county, Moore went into camp at Athens to receive supplies over the Des Moines Valley Railroad. Directly across the river was Croton, Iowa, a station on the railroad.

With about 400 men in camp, the others on furlough, Moore drilled his men in soldiering, company and battalion drill. Federal authorities had, by then, furnished him with muskets, equipment and ammunition from St. Louis, via Keokuk and Croton, Iowa.

On July 25, 1861, a delegation of "Peace" men, prominent citizens of Clark County, visited Col. Moore's camp. Assembling at the house of Joseph Benning in Athens, they advised Moore and his troops to return home as his enemy, Col. Martin Green had about 2,000 men. Colonel Moore staunchly refused.

After this, Col. Green was asked by certain citizens of Athens, who were in sympathy with the Secession, to come and drive Moore out.

About the 1st of August, Green left camp at Edina to attack Moore's Union forces at Athens. The command reached Athens on the morning of August 5, 1861, and gave battle. Green knew Moore had less than 500 men and no cannons, while his troops had two, and was therefore confident of victory.

About sunrise, Green attacked using the six and nine pound artillery. The Unionists were practically surrounded with Confederates on three sides and the Des Moines River on the fourth. The shooting, by the Confederate artillery was wild, with most of the cannon balls crossing the river into Iowa. One, however, passed directly through the house of "Uncle" Joe Benning in Athens, very near where Benning was standing.

Steady fire from the Union muskets answered the attack by the Confederates, and as men fell dead and wounded, the Confederates wavered. Moore took advantage of the disorder and rallied his men with "Forward! Charge bayonets!"

With a shout, the Unionists sped up the hill, unresisted. The Confederates retreated in wild confusion. Scores left their horses and fled on foot, and others took the first mounts they could reach.

Moore reformed his line for attack or defense, but the enemy had deserted, leaving about 500 good horses, saddled and bridled, guns of all kinds, revolvers, knives, blankets, and wagon loads of provisions.

The fight for northeast Missouri was over. It belonged to the Union and the Confederates made no serious attempt to regain it.

Col. Moore's son, Dr. William Moore, commanded a company on the opposing side at the Battle of Athens.

Five Confederates were killed and about 20 wounded, and Moore lost two men and some were injured. The wounded were treated in the Athens Hotel, which was promptly converted into a field hospital.

No other battle was fought in

Clark County during the Civil War.

Athens Founded 1844

Athens was founded in November of 1844, and the first storehouse was built by George Gray, under the bluff near the Benning House.

Before the Civil War, there were eight drygoods stores in Athens.

The stone wall still stands by the Des Moines River of the large flouring mill that operated there.

Bicentennial Celebration

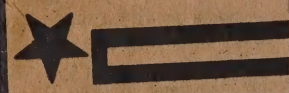

On Sunday, April 4, the Clark County Bicentennial Agricultural Committee will hold a program at Athens State Park.

At that time all entries in the Bicentennial flag contest will be displayed and the winner announced. Certificates will be awarded to all qualified Centennial farms, and three awards given for outstanding contributions to agriculture. One, for past service; one present; and one for future contribution.

Efforts Succeed

Work will begin this year developing the wooded park for recreation, culminating the efforts of the Athens Park Association. For the past several years, they have strived to preserve this historic site, and to have it accepted as a state park by the state of Missouri.

Dear Mrs. Treadway,

This page was all I could find concerning your family. I do hope it helps you in completing your history.

My husband Parker died in Jan. and his Aunt Clara Miles two years ago. I feel that Aunt Clara had copied Grandpa Hurst's records and had them in a book, but her daughter Alice Miles Eagle died about four months after Aunt Clara and I feel that Alice might have had that copy. Since Alice's husband lives away, I never see him to find if he does have a copy.

Please return!
